

As a period of more than three years has passed since the sale and purchase of the last dwelling on the Oakbrook (Phase 3c) estate as an owner of a property on the estate I serve notice on the Management Company (Trinity (Estates) Property Management Limited) requiring the obligations of the Outgoing Management Company under the terms and conditions of the plot transfers and plot leases of the Estate to be undertaken by Liberating Estates Ltd (“the Nominee”) in the place of the Outgoing Management Company or its managing agent.

We request that in accordance with the transfer/lease that Trinity Client Services Limited is to immediately transfer to Liberating Estates Ltd all records and funds and transfer any land on the estate for the nominal sum of £1. We expect the transfer of funds and records to take place within one month.
